

I, \_\_\_\_\_ want to participate in the Motel to Home program to help me obtain and maintain stable housing. I understand that to receive any housing funds, or matching funds from the program, I must be in good standing.

- With my caseworker I will create a monthly household budget. Each month I will track my income and expenses and compare them to my budget.
- Each month I will deposit \$25 into a savings account provided to me by M2H.
- Each month I will review progress on my credit repair plan with my caseworker.
- I will actively participate in the prescribed education modules.
