SERVICE FOR EMPLOYERS

- **Accenture** has launched **People + Work Connect**, a free online employer-to-employer platform that enables companies to quickly identify and fill jobs in locations where there is need. People + Work Connect is powered by an analytics-driven platform developed by Accenture, which pools non-confidential and aggregated workforce information by categories such as location and experience. It gives organizations that have open positions a view into the workforce available to fill those jobs, enabling companies that have available employees to help their people find new roles. People + Work Connect is available exclusively to companies with approximately 100 jobs to fill or 100 available workers to place. It is global and open to all industries. It is not available to individuals or staffing agencies. It is designed to move large pools of people from one employer to another. Companies with roles to fill or people to place are welcome to join the platform. [Click here](#) to register.
