

Training & Education Programs

IN-PERSON PROGRAMS

[NOTE: Given the ever-evolving situation with COVID-19, job seekers are advised to contact the host prior to the event to confirm event plans.]

- **Altierus Career College** is no longer accepting applications or enrolling new students. Classes will continue for current students, and the campus will continue to provide support resources and career services through graduation and for a period of time thereafter. Former students may request transcripts above and reach out to their campus for ongoing career assistance. The ECMC Group Board of Directors, representing the parent organization of Altierus Career College, has made the decision to teach out the three remaining Altierus Career College (ACC) campuses. A teach out means that we will provide the education and support services for our current students and gradually wind down the school's operations. New students will no longer be accepted. We will continue to provide career services for a period beyond the teach-out to ensure that the program is as successful as possible for students. Altierus Career College will engage in an orderly closure, with campuses remaining open until all current students that are following their academic plans graduate or an acceptable completion plan is identified for remaining degree students. [Click here](#) to see this notice on the college's website.
- **Atlanta Public Schools Adult Education Center**, in partnership with the **Technical College System of Georgia**, is now enrolling for its free **College & Career Readiness Program GED and English as a Second Language (ESL) classes**. The **GED program** helps adult learners gain the college and career readiness skills needed to enter and succeed in the workforce and/or postsecondary education. New students admitted every Monday, Tuesday, and Wednesday. In-person and virtual classes are available. [Click here](#) for locations & class times. [Click here](#) for additional information in English. [Click here](#) for additional info in Spanish.

The **ESL program** prepares speakers of other languages in the proficiency of the English Language. In-person classes available. New students admitted weekly. [Click here](#) for the flyer. Both programs serve residents of all counties. Call 404-802-3560 to enroll.

- **Atlanta Technical College** is offering two (2) **High School Equivalency** options – the **GED** and **HiSET**, with the testing center on campus offering both exams. These options are available through “hybrid classes” where students can attend in-person, virtually via Blackboard, and/or through a combination of both. Atlanta Tech [Click here](#) for more information and to register.
- **Bank of America** is recruiting students for its **Student Leaders® 2022 Program**. Since 2004, Student Leaders has been part of Bank of America’s ongoing commitment to youth employment and economic mobility. Our goal is to help prepare a diverse pipeline of community-minded young students to be successful in the workforce through leadership training and work experience. Through our Student Leaders® program, we annually connect more than 300 community-minded high school juniors and seniors from nearly 100 communities to employment, skills development and service. If you or someone you know is a current junior or senior in high school and have a passion for improving the community, please join us for an information session to learn more about the application process and program details. This session is open to prospective applicants, parents, guardians, guidance counselors and advisors. [Click here](#) to learn eligibility criteria for the program. [Click here](#) for FAQs. [Click here](#) to apply for the program.
- **CEFGA’s** nationally recognized **Construction Ready Training Program** is an N.C.C.E.R. accredited four-week boot-camp style training program, where participants can earn up to eight industry-recognized credentials. The **Construction Ready Training Program** screens and trains students for entry-level positions in the construction industry and is **FREE** to eligible applicants who reside in metropolitan Atlanta, as well as, the Augusta, Macon, and Columbus Regions in Georgia. Graduates of Construction Ready are connected to Georgia construction companies who participate in the **Construction Ready Training Program**. Employment is not guaranteed; however, 97% of our graduates have been placed into full-time employment. Interested candidates are **REQUIRED** to attend an **Information Session** to begin the process for

enrollment. To learn more and sign-up for a **Construction Ready Information Session**, [click here](#). If you have any questions about the **Construction Ready Training Program** and/or the Information Sessions, please contact the Recruitment Team via email, recruitment@cefga.org. **Construction Ready** offers Information Sessions both in-person and virtually. To learn more and sign-up, [click here](#). For a list of upcoming classes, locations, and general information [click here](#). Below is a list of the training location in metro Atlanta:

- **Construction Ready at Westside Works** (261 Joseph E. Lowery Boulevard, NW, Atlanta, GA)
- **Construction Ready at Build Cobb** (1940 Exchange, SE, Atlanta, GA)
- **Construction Ready at Aerotropolis Atlanta** (3121 Norman Berry Drive, East Point, GA) or **Impact Church** (2323 Sylvan Road, East Point, GA)

- **Chattahoochee Technical College** is offering **affordable classes** in **Microsoft Office, Forklift, OSHA 10, and MSHA New Miner** trainings. [Click here](#) for more information on these classes and others or contact the Economic Development Department at corporatetraining@chattahoocheetech.edu or 770-529-2345.

- **Chattahoochee Technical College** is offering **Cyber Security for Small Business**. As a small business, you might feel helpless against cyberattacks. Fortunately, you can take steps to protect your company. Start by learning about common cyber threats, understanding where your business is vulnerable, and taking steps to improve your overall cybersecurity posture. Knowing some cybersecurity basics and putting them into practice will significantly help you protect your business while reducing the risk of cyber-attack. This workshop will offer a range of pragmatic solutions to minimize risk. This course is scheduled for 6 hours on April 12th and April 14th, from 6:00 PM to 9:00 PM each evening, at the **Marietta Campus**. [Click here](#) for more information and to register.

- **The City of Refuge** offers **Job Training Courses** that will give you the skills and confidence needed to earn a job and start a rewarding career. [Click here](#) for a flyer. [Click here](#) to review details online. [Click here](#) to apply.

- **Mechatronics (16 weeks):** Mechatronics will provide 6,000 hours of on-the-job learning as a mechatronics apprentice with an Atlanta employer. This training will prepare you for a career in a highly specialized field.
- **Automotive Technician Training (16 weeks):** This course introduces basic concepts and technical training in automobile mechanics.
- **Banking Course (8 weeks):** The training provides the skills needed for any entry-level position in banking with career potential—including teller, customer service representative, relationship banker, and personal banker.
- **Culinary Arts (15 weeks):** The Culinary Arts class provides insight into food production skills, various levels of industry management, and hospitality skills for students interested in pursuing a career in the foodservice industry.
- **Salesforce Administrator (10 weeks):** Students will learn the basics of Salesforce for application, product development, system administration, data management, and system architecture.
- **Coding Bootcamp (16 weeks - full-time / 26 weeks - flexible):** Coding boot camp provides the basics necessary for employment within the Information Technology field. Graduates will be recognized as a “full stack web developer” upon course completion.
- **Cyber Security (9 months):** Cybersecurity students will have a choice to train and test for the following industry-recognized certifications: CompTIA ITF+, CompTIA Net+, CompTIA Security+, and SOC Analyst.
- **Security Training (2 weeks):** This training course covers crowd control, de-escalation, and hand-cuffing.

- The **City of Refuge (COR)**, through its newly formed **Tech Transformation Academy** and over a four-year period, will train 280 unemployed or underemployed individuals at its **Workforce Innovation Hub**. Training will be provided for careers in the Web/Software Developer and Cyber Security Industries. Each Web/Software Cohort will take 4 to 6.5 months and have access to a full array of social services. Each Cyber Security Training cohort will take 9 to 18 months to complete. Upon graduation, students will receive credentials that will qualify them to find employment with companies hiring web developers or cyber security specialists.

Students who graduate and do not find immediate employment will be placed in a 12-month paying internship with one of the corporate partners. To achieve this goal, COR will partner with training providers Carolina Cyber Center and DigitalCrafts along with a host of industry partners. [Click here](#) for a flyer.

- **Web Developer Training:** Programs provide graduates with industry recognized full-stack software development certificate issued by DigitalCrafts. DigitalCrafts will consult with the corporate partners prior to each cohort to ensure the trainings are covering the skills and computer languages that the corporate partners will be hiring in the next six to 12 months. Currently, the Web Development/Software Engineer training course includes: HTML; CSS; JavaScript Scripting Language Introduce variables & logic, HTTP; Manipulate DOM; JSON; React.js; RESTful APIs; Command Line; PostgreSQL; Python; Deployment; Express.js; and Node.js.
- **Cyber Security Training:** Provided by Carolina Cyber will offer a flexible learning environment with virtual programs providing live and asynchronous learning, a rich set of virtual labs to evolve students' hands-on skills, custom-developed mobile apps for memory aides, exam preparation, and a modern "high definition" virtual teaching lab with engaging tools such as Slack channels, polling, screen sharing, recording steps. Credentials may include: ITF+, A+1, A+2, Network+, Security+, Linux+, Server+, Cloud+, Pentest+.
- **Connecting Communities and Families, Inc (CCF)** in partnership with **Wholistic Stress Control Institute, Inc. (WSCCI)**, received a major grant from the **U.S. Department of Labor, Employment and Training Administration** to deliver the **Employment Qualifications Uplifting Independent Progress (EQUIP) Program**. The program is designed to target men and women, who are coming out of prison within 6 months or less or have already been released (not more than 24 months) from a criminal correctional facility and provide support services, as well as, job readiness skills that will assist them in pursuing careers. A major goal of this program is to assist participants with attaining credentials and certifications in technical and trade classes (i.e. CDL, welding, GED Prep, construction, technology, etc.) to help prepare them for permanent jobs.

Contact CCF through e-mail equip@wholistic1.com or 404-997-3591, or through at <https://www.facebook.com/EQUIPprogram>.

- The **Georgia Institute of Technology** is accepting applications for its **2022 Georgia Tech Excel Program**. The Excel Program is a 4-year certificate program for students, between the ages of 18 and 26, with intellectual and developmental disabilities. Students develop academic skills, live rich social lives, practice independence by living on campus or close to campus, and develop the career skills needed to pursue their future jobs. [Click here](#) to learn more and apply.

- **Goodwill of North Georgia** offers several **Job Training Programs** through its metro Atlanta **Career Centers** that provide many opportunities for individuals to increase their marketability with industry-recognized credentials for today's workforce. [Click here](#) to see a catalog of high-demand, short-term trainings or call 1-844-344-9675 for more information. All programs require candidates attend eligibility screenings prior to enrollment, site and program contacts are outlined below.
 - **Cartersville Career Center** is recruiting candidates for its **Forklift Training Program, Logistics Training Program** and **Welding Training Program**. For more information, contact Capri Taylor at ctaylor2@ging.org.
